Amicus Capital Announces Senior Professional Promotions

January 20, 2021: Amicus Capital, an India-focused early growth fund, today announced the promotions of two of its senior team members:

1. Ajith Nair – promoted to Managing Director; and
2. Avishek Addy – promoted to Director.

The Fund wishes Ajith and Avishek all the best.

About Amicus Capital:

Amicus Capital (www.amicuscapital.in) is an India-focused early growth fund set-up by experienced private equity professionals, Sunil Theckath Vasudevan and Mahesh Parasuraman, with a strong exit track record across business cycles. It is currently investing out of its first fund.

The Fund is focused on investing in businesses that enable frictionless market access, and digital first businesses or those that pioneer digitization of businesses across sectors. With deep experience and networks in financial services, consumer, healthcare and technology & business services; Amicus Capital is a friendly and value added partner to entrepreneurs in their journey to building valuable and enduring businesses. The Fund generally invests in fast growing and capital efficient businesses which have the ability to emerge as segment/category leaders. It has a portfolio of 9 such investments as on date.
